

## Black Male Puppy

**Date of Birth:** 02/17/2024  
**Sale Price:** \$2,800.00

Courtesy of MK Haus Farms

Every once in a while someone reserves the perfect puppy and for some reason plans change. That's what happened to this guy... so now he waits for someone else to think he is perfect too! People ask... why is he still there? What is wrong with him? Nothing... he's crate trained, working on manners, gets a little sick in the car from time to time but loves it still, loves
